

supermarkets without the prior approval of the Commission.

Also for a period of ten (10) years, the Proposed Respondent must provide written notice to the Commission prior to acquiring any interest in a supermarket owner or operator, or any facility that has operated as a supermarket within the previous six (6) months, located in any of the Relevant Geographic Markets. Following notice, Proposed Respondent may not complete such an acquisition until after it has provided any information requested by the Commission during a specified waiting period. This provision does not restrict the Proposed Respondent's construction of new supermarket facilities on its own; nor does it restrict the Proposed Respondent from leasing facilities not operated as supermarkets within the previous six (6) months.

The proposed consent order also prohibits the Proposed Respondent, for ten (10) years, from entering into or enforcing any agreement that restricts the ability of any acquirer of any supermarket, leasehold interest in a supermarket, or interest in any retail location used as a supermarket within Okaloosa, Santa Rosa or Walton counties in Florida; Hancock, Harrison, Jackson or Lauderdale counties in Mississippi; St. Tammany Parish, Louisiana; or Mobile County, Alabama on or after January 1, 2000, to operate a supermarket at that site if such supermarket was formerly owned or operated by the Proposed Respondent. In addition, the Proposed Respondent may not remove fixtures or equipment from a store or property owned or leased in these counties that is no longer in operation as a supermarket, except (1) prior to a sale, sublease, assignment, or change in occupancy, (2) to relocate such fixtures or equipment in the ordinary course of business to any other supermarket owned or operated by Proposed Respondent, or (3) otherwise with the prior approval of the Commission.

The Proposed Respondent is required to provide to the Commission a report of compliance with the consent order beginning one (1) year from the date the proposed consent order becomes final and annually for each of the following nine (9) years.

V. Opportunity for Public Comment

The proposed consent order has been placed on the public record for 30 days for receipt of comments by interested persons. Comments received during this period will become part of the public record. After 30 days, the Commission will again review the proposed consent order and the comments received and

will decide whether it should withdraw from the agreement or make the proposed consent order final.

By accepting the proposed consent order subject to final approval, the Commission anticipates that the competitive problems alleged in the complaint will be resolved. The purpose of this analysis is to invite public comment on the proposed consent order to aid the Commission in its determination of whether to make the proposed consent order final. This analysis is not intended to constitute an official interpretation of the proposed consent order nor is it intended to modify the terms of the proposed consent order in any way.

By direction of the Commission.

Donald S. Clark,
Secretary.
